

P.E.O.'s mission is to help women advance through education. By means of fundraising, our local chapter is able to offer financial assistance in the form of scholarships. Applicants must plan to or be pursuing educational goals in a four-year college, community college, career college, or trade school.

The local scholarship award is \$1,000 per academic year. National scholarships are also available, ranging from \$14,000 to \$21,000. However, additional documentation will be required.

Before being considered, the following minimum requirements must be met.

- Be a U.S. citizen.
- Verification of high school graduation or GED by the time of scholarship awarding. (Verification of attendance at a post-secondary institution is also acceptable).
- Current transcript of unofficial grades from a secondary or post-secondary school.
- Acceptance letter (or proof of enrollment) to an institution of higher learning.

We invite you to apply for our local scholarship. Below are additional documents that must be included with your application but can be submitted separately. Please note that your submission will be complete once all paperwork is received.

- A 500-word essay that describes educational goals, school or community service activities, and life aspirations.
- Two letters of recommendation.

Your packet will be reviewed by a panel of chapter members within one to two weeks. An additional personal interview may be requested for full consideration.

We are excited about the opportunity to help you reach your educational goals. If you have additional questions, please contact Nancy Henrichsen at 541-598-4278 or Dr. Donette Gordon at 775-354-6662.

All documents and application should be emailed to ap.peochapter@gmail.com

Chapter AP Scholarship Checklist

- _____ Verification of high school graduation or GED by the time of scholarship awarding. (Verification of attendance at a post-secondary institution is also acceptable).

- _____ Current transcript of unofficial grades from a secondary or post-secondary school.
