The STAR Scholarship provides funds to a high-achieving and community involved young woman in her final year of high school who plans to attend an accredited postsecondary educational institution in the United States or Canada. This one-time \$2,500 scholarship is available to high school seniors. Applications must be submitted between August 15th and October 15th, with the award announced the following spring by April 30th. It is recommended that students begin the application process prior to starting their senior year.

The PEO Chapter AP Scholarship was established in 2023 to provide scholarships for deserving women in Mesquite, Nevada, attending or planning to attend a trade school, two-year, or four-year college. The award amount is \$1,000. Applications can be submitted during the school year; however, they must be received by April 30th, with the award announced in May before graduation. It is recommended that students begin the application process during their senior year, once they have been accepted into a trade school or college.
